Are suspended all conclusions of a decision or an order made by the Court of Québec, ordering any physical contact in the child presence with his parents, grandparents or any other person, insofar as the youth protection director considers, following the public health recommendations, that these conclusions cannot be respected in a way that protects the health of the population in the context of the COVID-19 pandemic. The youth protection director must allow the execution of the conclusions as soon as they can be applied without posing a threat to the health of the population.
